Gudi Padwa, the Marathi New Year and the beginning of the harvest season, is celebrated with great enthusiasm across Maharashtra. The name "Gudi" symbolizes a flag or emblem of Lord Brahma, while "Padwa" refers to the first day of the lunar phase. On this auspicious day, people rise early, clean their homes, take baths, and adorn their entrances with beautiful rangoli designs and torans made from mango leaves. Our office is also decorated with torans, and we raise the 'gudi,' a 5-foot bamboo stick topped with fresh cloth, neem leaves, and a garland of sugar candy, placed on a silver or bronze pot.

We provide certificates, food and gifts to each donor.

BLOOD DONATION CAMP

SOMETIMES MONEY DOES NOT SAVE LIFE, BUT DONATED BLOOD CAN.

Mahalaxmi Group conducted a Blood Donation Drive at Office. A total of 100+ members donated blood. We Gave Them certificates and Bird Feeders as a gratitude. There is no substitute for blood, and it can't be manufactured. Every day, blood donors help patients of all ages from all backgrounds. Personal Health benefits of donating blood include good health and reduced risk of Cancer and Hemochromatosis. It helps in reducing the risk of damage to liver and pancreas. Donating blood may help in improving cardiovascular health and reducing obesity.
